

Choice Copper Cable Tracker

LNT-CCT

*Accessory product only and can not be used on its own.
See below for models it works with.

A compact copper cable tracker that can quickly identify and trace RJ45 cables, detects voltage, and can locate lines up to 600m away.

- Ultra-thin portable design
- RJ45 cable sequencing and location detecting
- Normal mode and anti-jamming mode
- Adjustable sensitivity of detecting
- **NCV Testing:** AC90V~1000V
- Up to 600m detection distance
- LED and sound notice, support earphone
- White LED for lighting
- Built-in rechargeable Lithium battery
- USB Type-C port for charging

Tracker Compatible

LNT-LST-G - Pro Light Source (1310, 1490, 1550)

LNT-OPM-CH - Choice Copper Power Meter

LNT-OPM-CX - Choice Dual XG-PON and GPON Power Meter

LNT-OPM-PX - Pro XG-PON Power Meter

Technical Specifications

| | |
|----------------------------------|---|
| RJ45 Cable Tracking Mode: | Normal mode / Anti-jamming mode |
| Responding Frequency: | 455KHz |
| Tracking Distance: | 600m (Anti-jamming mode) |
| Tracking Sensitivity: | Button adjustment / LED notice |
| NCV Testing: | AC90V~1000V |
| Tracking Result Display: | LED red/green |
| Sound Notice: | Voice volume is over 85db (Distance from the probe is 10cm) |
| Headphone Interface: | 3.5mm audio interface |
| Network Cable Sequencing: | 8 core and shielded line, LED Indicator, Max. 600m distance |
| Battery Low Voltage Indication: | LED display |
| Illuminating: | LED white light |
| Cat Cable Interface: | RJ45 |
| Operating/Storage Temperature: | -10°C ~ 50°C / -20°C ~ 70°C |
| Power Supply/Charging Interface: | Lithium Battery / USB Type C; 15-20 working hours |
| Dimensions (L*W*H): | 132mm * 35mm * 14.5mm (5.2in * 1.4in * 0.6in) |

Note: Product features and parameters may be modified or upgraded, for the latest product information, please visit the company website or contact the sales staff.

Tracker compatible with:

Pro Light Source
LNT-LST-G

Choice Optical Power Meter
LNT-OPM-CH

Choice Dual XG-PON and GPON Power Meter
LNT-OPM-CX

Pro XG-PON Power Meter
LNT-OPM-PX
